“ Hello Bobby,
This is Sam Dofflemyer. You probably don't remember, but I dated your sister, Gail, when you were in middle school. I followed your high school athletic career, and was very proud of your accomplishments. Never met your son, but immediately recognized the name, and was saddened to hear the horrible news. Just wanted to let you know that you and your family have been in my thoughts and prayers.
Sincerely,
Sam

“ *I am so sorry for your loss. My daughter is a student at VT and lives in Adam's apartment complex. She called me right after the accident and I want you to know that I prayed for Adam and your family all that night. I will continue to pray for your peace and healing. May you find comfort in the memories that you have of him. I'm sure if he was a Hokie, he was a fine young man.*
