“ Adam I remember when your grandmother passed away, how sad you were. I remember hugging you while you cried like a baby. I'm doing that now. You were a good friend. We had a lot of laughs, we shed some tears and bonded. Honestly I never thought that we would be such great friends, you used to get on my nerves, but u grew on me. We both discussed many times how we were tired of losing friends. I don't want to say goodbye to you Adam Reese. We will meet again. I love you dearly and hope you are at peace my friend. Love always....Jammer
