“ *My heart hurts for all of his family and especially my sweet sweet Kayden and Nicole. I cannot begin to imagine the pain you feel. Though death is an inevitable thing for all of us to face Adam faced his much much too soon. I wish for peace and comfort for everyone who knew and loved him. I can picture him sitting up in heaven holding he and Nicole's first little angel and loving on him like he did Kayden. Kayden will forever have his own guardian angel to follow and guide him for all his life. God bless you all.*
