“ Dear Grandma "Kitty"! I love you very much! This beautiful women helped me learn very useful skills as a young lady ,such as gardening/canning and being resourceful with money. She loved animals and has took in a few cats & dogs, She also enjoyed going to church and going to play bingo. She was always kind ,opening her doors up with home cooked meals /pies and my favorite her homemade fudge. She loved friends as much as family and giving you a little something to take home with you was always her way of showing how much she cares. ~She loved being a great grandma to Aj & Adrienne giving them toys from her basement Grandma your traditions will live on through generations You will always be loved & missed "Until we meet again" With Love~ Melodi Larue (Granddaughter) & Adrienne Overbaugh (Great- Granddaughter)

“ "Ms. Kitty"... So many things I could say. The first person I met 10yrs ago when we moved next door to her and Shorty. She was kind enough to see that we had things we needed and dolls, etc for our 8yr old daughter-from her yard sale days. I couldn't have known several yrs later I would be part of a team of healthcare aides to help take care of her. It was my great privilege to help care for Ms. Kitty. A very special lady and beautiful soul. She is deeply missed.
