“ I first knew Allen as a co-worker and he and I shared an office at Mine Safety and Health Admin in Pikeville, KY I quickly grew to trust his integrity and was always comfortable with him. Several years post working together we attended the same church, he was my Christian brother, then he joined my family as a Brother in Law. Our family welcomed and loved him so much. I am confident he is not dead but lives on in the splendor of Heaven. Fly high my 2 times brother!!!

“ Allen was my buddy, we would laugh and stare at each other trying to figure out what the other was saying and then just laugh. Even when he couldn't remember my name he still said he knew who I was. Dont know what he told Rhonda when I left, but I'd say he laughed. Will miss you but am looking forward to seeing you again.
