“ *Love to you Dawn and Colin you have had a heartbreaking time! Thank you for welcoming me to see your dad when he was calling for Boyd. I felt that he was telling me to come see him. It's a hard thing to go through believe me I know. May Jesus give you comfort knowing he is in no pain now and is at peace. We will see them all again.*

“ Dear Dawn and Colin you were so good to your dad. When he was calling for his brother my heart said go see him. I believe he was telling me to go see him to let him know he was waiting for him. My heart is so sad but I believe Boyd sent me there to comfort him. So happy he knew who I was. Love to you all and remember I am here if you need me just give me a call. Love Aunt Carolyn.

“ Thank you Colin and Dawn for loving and caring for your father. I know that our Father in heaven is happy and that Alva is healed. No one could have taken care of him like you all did. Your daddy loved you two so much. Much rest and peace. Love you. Aunt Mary

“ My sweet brother. I will always remember your smile when I saw you and the love of flowers. I am so glad I got to be with before you went to heaven. You are now with your loved ones in heaven. I know they were anxious to see you with open arms. I will see you again. Love Mary

“ *Mr Pauley I never knew what to expect when I came to see you. What will I be laughing at today? What story will I hear today? I was just hoping not to make u mad. LOL You would never want to touch his fingernails because if you did you were cutting into the meat. We shared so many thing in common from the Indians and your house plants. From the day I met you and your family, I always felt welcome. I did everything I could to make you comfortable every time I came to see you and every time before I left you would be asleep. I would always tell you I loved you and see you next time. I will miss you and your family. Thankyou for being one of the greatest first patients I could ever ask for. Many prayers and love to your family.*
