“ Denise, Robert and Joe, Please accept my condolences on the loss of your mother. The summers I worked at the Caverns, Barbara was a wonderful woman to that scared teenage girl in her first real job. She was beautiful - inside and out. I have always felt that she helped me understand the difference between a woman and a lady and she was an outstanding role model for both. I know that that my life was blessed by knowing your parents. My prayers for you and your families are for peace, comfort and joy in your memories of a very special person. God bless you.

“ Dear Denise and family, Words cannot express the sorrow I feel at the passing of Mawmaw. I know how special she was to all of you and how sorely she will be missed. We must take comfort in knowing that the reunion she experienced on the other side brought more joy to her than the pain of the grief that we bear. Thoughts and prayers are with you during these difficult days ahead. May God grant peace that surpasses understanding.

“ *Barbiedoll was a beautiful soul, special to everyone who knew her. She gave her love freely. God blessed her with a long, full life, which she loved and lived to the fullest. Her big, beautiful family was her pride and joy. And now God has called her Home. We will celebrate her life, and the gift of having her in our lives as long as we did. Until we meet again in Heaven, rest in peace, Beautiful Barbiedoll, love you! God's Peace be with all of her family and friends as we go on with life without her.*

“ *Dear Denise, Robert and Joe, Words cannot express the pain that you must feel today of the loss of such a great person, woman, and mother. In time GOD will heal your aching hearts and although life may not be normal as you'd once known, it will continue to take its path and you will continue to cherish each moment, because of the Love you shared and Memories you'd had. Continue to live by Faith and through the Mercy and Grace of Christ Our Savior. GOD BLESS You All and Your extended Families.
