“ I will remember the good times we all had as family, all the laughs. And I will always remember the time you and I made a Peach Cobbler, back when I was in middle school. That was special to me and it made my heart smile that you remembered this too and asked for the recipe a few years back. You meant so much to Mom, like a Sister. You will truly be missed, Aunt Gale, but not forgotten. Love, thoughts and prayers to the family.

“ I remember meeting you when I was a wee little boy and remember how beautiful you were. You treated me as one of your own children. Lots of good times and laughs were shared. You were a dear friend and like a sister to mom. Thank you for your kindness and love. Rest in peace Aunt Gale.

“ You never ceased to give us a good laugh when we needed it, an ear to listen, and a warm hug. I have so many great memories of the fun we had and I'm keeping those memories close because I know you would fuss if we were sad. Heaven gained another angel and prayers for comfort at this hard time to your family. We love and miss you Momma Gale.
