“ *Benny's thoughts of others are what I will remember most of all. My husband was very sick before he passed and whenever I saw him afterward he would ask how I was doing. I would ask him the same question and he always answered with I am good. His outlook on life was amazing. I will miss his smile.* ”

“ My name is Jesse Cox of Woodstock. I met Benny at dialysis in Harrisonburg. He would sometimes bring breakfast to those of us that sit together. Everyone liked Benny very much. We would all get a laugh from listening to Benny and his friend Bird, they sat together for years. They would joke and carry on. Benny will certainly be missed. I'm very sorry for his passing.
