“ *Deepest condolences to Bonnie, Fern and Family. Berlin had a passion for everything he did from butchering, to processing deer, to gardening and selling produce. That passion along with his many talents and kindness brought a lot of joy to a lot of people and he will be sorely missed.*

“ *I will certainly miss seeing you skinning out deer next to Kelly Rd. and talking to one of the best friends anyone could have. Also will miss eating some of the best scrapple I have ever had. You may be gone but never forgotten. Sincerely, Buddy Polk*

“ I shall always remember Berlin from our school days and Mt. Herman. I recall that he was the teachers "pet" if you can call it that. He was the handy man at the school and a good friend. I know he will be missed and was definately a good man. God bless and comfort those in mourning and during this saddness of loss.
