“ *I just found out about Bessee's passing and I'm so heartbroken. I had spoken with her earlier in the month and she seemed to be in good spirits and was feeling good. Bessee was one of my roommates in college and we grew to be great friends. We had some good, crazy times in college and I will always cherish those memories with her and her friendship - she was one of a kind and she will be missed greatly.*

To Bessee's family, I'm so sorry for your loss - you are in my thoughts and prayers.

Rest in Peace my friend, I will miss you!

“ I am so sorry to hear this! It wasn't to long ago that she came in my store and we talked for a while. I believe that was the first time I had seen her since we were in high school in 1983. My prayers will be for comfort for her family and friends during this difficult time.
