“ *Walter, please accept my condolences for your loss. I went through a similar experience with my wife Harriet in 2009. Betty always seemed such a lively person, even with all of the health problems she fell heir to. I am unable to travel as far as Woodstock these days and won't be there on Monday evening. I am notifying the other Barr family cousins of her passing. Perry Crabill Winchester, VA*

“ *Walt, words escape me now at this difficult time for you and your family. Please know that you are in my thoughts and prayers. I would like to say however I was always impressed with how much you honored your wife and how doggedly committed to her you were. What a rare quality we see in this day and age of McDonald's drive thru marriages. She was lucky to have you Walt, and you were luck to have her. Would that we all could be so faithful and loving.*
