“ *We were so sad to hear about Louise. We lived across the road from Louise and Bill for 13 years. I can't list all the memories here, but I especially remember picking her up on Saturday mornings for our regular visit to every garage sale in the area. Sometimes we would take time for a quick sausage biscuit and coffee from McDonalds and get right back to yard sales!! We had so many laughs and I cherish those memories we made. I also remember her patiently giving me lessons about flower planting and when to plant and where to plant it. She would walk me through her beautiful flower gardens which she so enjoyed tending when she was able. Thinking of you Bill and may the grief that you have now turn in to wonderful memories before long. May God bless you and all the family, and give you strength during this difficult time.*
