“ *I remember the first time I met Mrs. Betty. It was when Katelyn was in labor with our sweet grandchild Lilah. We were at the hospital most of the day and she and I talked and talked. I really enjoyed getting to know her and it made the day go fast because we were all so anxious to see this beautiful baby. I have always been thankful for that day of spending time with her because you really get to know someone by just sitting and listening and talking. She was a very special lady who will be missed. I know her whole family was very blessed to have her. We are thinking about all of you at this time and will continue to keep you all in our prayers. Love, Kenny and Mikki Garman*
