“ *So sorry to hear of Bill's passing. I used to pick on him when I worked at Southern Kitchen and asked him where my rose was whenever he came in. He then started surprising me with one. Every time he saw me he always said hi and joked about my rose. I will always remember his smile and kindness. Sending prayers to the family during this time.*

“ Bill was always the man I could depend on. He made the large red bows that dressed the wreaths at Shenandoah Memorial Hospital. Bill and Virginia were the first people I met coming from Maryland. A friendship with teasing and a wink smile. Will miss Bill very much. A beautiful man.
