“ To the dearest person I know. Thank you for your friendship to both my mother and myself. I can't begin to express what you mean to my mom and I. I looked forward to visiting both you and my mom every Sunday. I will always remember our calling out "door "19" to the nurses to let visitors in. I will miss you greatly as will my mom. We love you and will miss you but know you are in a better place. Rest easy, our friend.

“ We were inseparable during our school years. (1 to 12) She was so much fun with a wonderful sense of humor. The teacher separated us more than once. And on bus 25 we livened things up. I loved her dearly. So many memories. She had such a kind and generous spirit. Fly high my friend, and get them laughing up there!! You were precious. Love you.
