“ *We were so terribly sorry to hear that Bradley had passed. He was quite a guy and I have so many memories of fishing and hunting years ago together. Catching madtoms was always big fun and Bradley taught me where they were and how to catch the little beasts. Know that he is in a much better place, where there is no pain and suffering. He's watching over you and awaiting the day when you and we all can be reunited in our Lord's heavenly Kingdom.*
