“ *Brenda was diligent and always made others feel loved and important. She had a card for every sister's birthday in the ward. She also sent me a beautiful note of encouragement once, something I know she was unaware that I needed at the moment. She was an angel on earth and followed the Savior. Always busy, always helping with a smile that reached her eyes and went straight to your heart. Love you Brenda.*

“ *I think the most beautiful moment I shared with Brenda was the night we brought Tara home after she was born. About 2 or 3 days old. My Scrooge of a boss would not give me time off to pick Brenda and Tara up at the Hospital. As I had missed 3 days work for Tara's birth already. My Parents, Paul and Genny Thorpe picked them up. We were living with them on Burgess Ave. in Pulaski, Va. Then You see I was a minimum wage security guard, we could not afford our own place. We had to get a Payment Book, and Pay Pulaski Hospital \$1200 ahead of time we had no insurance. Anyway I came home at Midnight from work. Went to the bedroom, and Brenda said, come in Mark! Tara was curled up like a little 6 pound toad frog on her face. She was warm and smelled so sweet. It was about 2 months before Brenda taught tara to sleep alone in her bed. The first couple months was so wonderful our new baby sleeping between us! I miss all my girls. Hope you will forgive me but you have to relise my physical and mental health problems. victorthorpe 92659@gmail.com*

“ I am so sorry to hear the passing of Brenda. I had the opportunity to work with Brenda in the pharmacy a few years back. I loved her personality and she was a hard worker. She will be greatly missed.

“ Edna, Linda, Sue and family, I was truly sorry to hear about the passing of Brenda. You know we were always close to the family when we were younger. My Mother Stella loved Brenda's dad (Earn) so much and he was so good to us. So my prayers go up to all of you and I love you! Your cousin, Madonna Combs Powell

“ *This is so hard to do. I loved Brenda she was like a sister to me. She came to my house many times to visit and we would go places together. She was great fun to be with and always smiling. I will miss her so much. May she rest in peace in God's loving arms.*
