“ *To Brian's family,*

*No words can describe how sorry I am for your loss.*

*Brian would always give of himself without hesitation, even when he knew that there was no benefit to him in doing so. He was always full of energy and he would always be there for his friends and family. It's just seems unreal to think that he's gone. I really miss him and I'll always cherish the days I spent with him. I will mostly miss his beautiful smile.*

*Rest in Peace Brian and one day I will see you again.*

*With Deepest Sympathy and Love,  
Shawn*

*Brian's Father David married my mother Jackie when I was 15 Brian came to live with us we lived in Ashland Virginia as did his sister Leticia. Brian and I went to school together we worked at the restaurant together and we shared a bedroom with our other brother Ricky. I'll never forget the day we skipped school and went to Virginia Beach with Bianca Montecalvo, of course we got caught and I ended up getting grounded but it was fun. Then one day Brian said I'm going back to Michigan and you packed everything in Sugar Land I stood there and waved as he drove off then a few years later he came back with Shawn Gegus and they ended up staying at my house with me over on Hungry Springs Road very good times I'll never forget you Brian rest in peace brother*

*Hi Bri,*

*Michelle called me the other day and was having dreams of you too!!  
She told me you always loved me... what a beautiful closure it is. I miss  
you every day that hasn't changed for 40 years. I know it is coming up  
on 10 years in April. I talk with Crystal Rose a lot. Your granddaughter  
is absolutely beautiful. Going to call Mom this week, I need her  
address. Always and forever I will have a deep love for you.  
Peace.....*
