“ Carol was a devoted mother all of the time. She loved life and taught her kids, brothers, sisters, nieces and nephews the value of family and friendship. She was there for everyone when they needed her. She was always determined to help out any way that she could. Carol was definitely always the life of the party and will be well missed. She struggled through good times as well as hardships but always prevailed. Not only was she a mother to her kids but she was the mother hen to her siblings with a temper to keep them in hand and able to back it up. We love her and will always miss her!!
