“ Thank you for your kind words. I just finally cut out my mom's obituary from the newspapers tonight and saw the mention of leaving online condolences. I just checked and found sweet messages. Missing her...still kind of unreal. God bless!

“ Thank you all for your kind words. I just finally cut out my mom's obituary from the newspapers tonight and saw at the bottom that they mentioned leaving online condolences. I didn't even realize there were messages here. I just checked and found sweet notes. Missing her—so much...still kind of unreal. Thankful that her suffering is over and she is with The Lord. God bless!

“ Aunt Carolyn, You were the closest thing to my Mom I had. Her voice, her smile, her laugh, and her faith. I still read the cards I have and always look at the bottom to see if it's from you or Mom. May you finally have the peace you deserve and know that you will be missed and forever loved.
