“ I had the pleasure of meeting Charlie last February at Spring Arbor. He always had a smile on his face. I saw him every evening when I went to visit Mrs Fox and we would chat in the hallway and laugh when he was looking for an evening snack. I still find myself looking for him in the sitting room when I go to the nursing home. I miss him. He was a special person. My sincere condolences to all who knew and loved him.

“ Your dad and grandpa, Charlie to me, left a mark on my life. He had the most thankful heart- and spoke so full of love for his beloved wife. His passing was so shocking to me, and all of us. He loved singing hymns, and of course got teary every time a patriotic song was sung. I consider Charlie a dear friend, and I will miss him. Your family has been my prayers! Love, karen santmier.
