“ *I worked with Charlie for approximately eight years as a vendor to Quality Auto Parts. He was without a doubt one of the most thorough, responsible, and genuine people I have ever had the pleasure of doing business with. When I was new to the position Charlie was always very helpful in giving me a solid and honest advice. I am forever grateful for that. His knowledge of farming and goats never ceased to amaze me. I always looked forward to hearing another story about his goats whenever we work together. It was truly enjoyed. He will be missed dearly but I hope his family can take comfort in knowing that he had such a positive impact on so many lives including my own.*

*My sincere condolences,
Alex Molnar*

“ Such a wonderful man. I met him through his love for goats that my daughter purchased from him and his wife. He was a great mentor to her as she got her breeding off to a good start. A kinder and selfless person you will never find. Truly genuine and good for his word and beyond. He will be greatly missed but never forgotten.
