Nancy and Family, so saddened to hear of Buck's passing. I know the coming days will be full of sadness, anger, and so much Love for the history you have shared for so many years. Time will ease the pain but the Love will live until your last breath. Continue to share your many wonderful memories as often as possible and know that he will not be forgotten. Love to all.

“ *I grew up around this family, we had fun hanging out, riding bikes, & sled riding. I can still see Buck coming up the road in his old black truck & his sunglasses on with a big smile. He will be truly missed by his family & friends, but have faith in knowing that Buck was able to walk through those pearly gates & was greeted by his brother, grandson, sister and many more. He is now resting high on that mountain and is at peace. Thoughts & prayers go out to his family!!*

“ *Buck was a friend since childhood, and, as Phillip looked up to him as a big brother, so did I, even though Buck may not have realized it. The Rush family has always been very special homefolk. I too, feel a void my heart in his graduating from earth to glory. Dear Sister Nancy, my wife and I can only imagine what your emotions are like at this moment. Fifty three years of marriage results in a great bond and is to be greatly commended. We believe that you and Buck have given all the glory to your precious Savior, Jesus Christ.*

We also realize that the only One that can truly comfort the heart is the Lord. (John 14:27 Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.)

Even though we grieve Buck's earthly departure, we also rejoice as we think upon his presence in his heavenly home and the fact of him now being with the One in whom he placed his faith down thru this earthly pilgrimage.

To the Rush family, rest assured that you're being prayed with and for in Ontario Canada.
