“ Thanks to everyone for the cards and support. This was a real shock. Having friends and family wishing well and visiting, have helped us, getting thru this just a little easier. Which means a lot. Here is the last verse she had marked in her Bible. Psalm 2 v12 "Blessed are all those who put there trust in him".

“ I am shocked & saddened at the passing of a young girl I used to say looked like Suzanne Somers. Michelle, Brian, Fred, Diane, my heart is broken for you. It's hard to go through such a loss and I am so sorry you all are going through this. I am available for whatever you might need. Please know that she is with God now. I love you all.
