“ Amy, so sorry and saddened to hear about Denny. I had often stopped by the shop when he was there to have a chat. I saw him last month and helped him with his truck. I always enjoyed our friendship and business relationship while working with him on his construction projects. Truly a professional and ethical gentleman. If you or Dennis need anything, let me know. Prayers to you. We will miss him.

“ We spent Thanksgiving with Aunt Amy and Uncle Denny either at our house or their house for all of my childhood years. I love my childhood memories with their family. Uncle Denny was always so sweet, had the friendliest smile and biggest hug whenever we got together. I will miss him but can't wait to see him again in Heaven. Love and prayers to all of my family members!
