“ You are my rock, my everything. You taught me everything I know about life, sports, and just being a man. I will miss the old songs we listened to riding out to Bruce's, the rounds of golf, the hours of basketball and tennis practice. But most of all I'll miss your laugh and smile and hearing you call to me saying Buck. Forever in my heart. This isn't goodbye just I'll see you soon. Ps I'll be playing your pick 3 with your numbers. I love and miss you dad. Tell mom I love and miss her so much while you all are dancing ❤️
