“ pawpaw was at a flea market one day and he saw a lamb that was up for free and i love animals and pawpaw brought him home. Me and Natalie got home she was in a dog crate and there she was my mouth dropped. I fed her whenever i could but school was around the corner and so Mawmaw would have to feed her and take care of her. Mawmaw named her Lamy and she would stay in the house and follow Mawmaw like her dog and sometimes the dog would get jealous and the day came where she would have to go outside and Lamy did not like that so a couple years go bye and soon Lamy is pregnant and Mawmaw cries and says look at my baby now all grown up and having another kid that day. I will never forget i love you Mawmaw and always will you will be in my heart forever and always. Laylah
