“ My condolences to Connie's family for your loss. She was a very special lady. She was the sister I never had. We both went through some hard bumps together and for many years had lots of good,happy times. She was my rock and there for me when I needed her. She was a true friend. If it wasn't for Connie I would not be with the love of my life for the past 30 years. I will miss you good friend. My thoughts and prayers for the family at this difficult time.

“ I am so sorry to hear of Connie's passing. I have known her for as far back as I can remember. She and Mom were always together for years. She gave both, my sister and I nick names. Heather was Peanut, and I will always be Tina Lopez. I know she and Mom lost contact many years ago. I remember Pooh Bear and Clancey and their love for ice. Now she will be able to have them back. Prayers to all. RIP CONNIE..... Tina
