“ Betty...I am so sorry to hear about your mom. I remember how we used to go to town on Saturday and get groceries and how your Dad would give me a hard time and your Mom would just smile. It brought back a lot of memories of the friendship between our families. Please know I am thinking of you today and my deepest sympathy to you. Love to All Rita Faye

“ I would like to extend my deepest sympathies to you at this time. Having lost my father a few years ago, I have found great comfort in God's promise of a resurrection as explained in the Holy Bible. As Jesus' own words indicate at John 5:28, 29 and John 11:25, we will be able to see our loved ones again. Also, God himself promises to do away with death forever at Revelation 21:3-5. I pray that you are able to find comfort in these promises as well.

“ My sympathy to Betty in the lose of your mother; Connie became known to me a "miss Connie" while she was a roommate with my mom Angie Lucas at Life Care. There were days when I left there smiling because of things she had said to me or comments she made. Even after they were seperated into long term care, I always went back to see her and she remembered me. I lost mom in May but I will always remember "Miss Connie" and how she helped me make a difficult situation a little more bareable.
