“ *My condolences to you all with prayers for you during this difficult time. I treasure the many fond memories of cousin Cora whether it was with my family when we visited during vacations, trips with Uncle Willie when I was more grown and drove him down or the numerous family reunions we had. She and Wilbur always made it a point to sit down and visit with us. I always enjoyed talking, listening and remembering stories with them. With love, Bryan Racey and Family from the Jersey North!*
