“ Steve and family, Richard and family, Allen and Family, We just want you to know that we are thinking about all of you at this time in your lives. Courtney was always a lot of fun to be around. I've heard my grandmother Hester talk about her and Courtney doing things together before I was thought of--many years ago. It's a long hard road to walk and there is nothing that can replace a mother and you had a wonderful mom. Take Care, God Bless, Jackie Bazzle and family, Margaret Oden and family, and George and Jane Gochenour and family
