“ Curtis Roy was so so funny! I would say to Curtis, I love you infinity!Curtis would say, I love you infinity and beyond! Thats what Buzz Lightyear would say. I told him Buzz Lightyear was a liar because there is no beyond with infinity ! He would laugh as I went out the door. I will miss you but will see you soon! Enjoy Heaven and keep them laughing!

“ Curtis has been a wonderful friend to me and my family for about 15 yrs. He was the most loving and kind hearted friend. We all shared many laughs and fond memories together. He expressed his reply to "I love you" with "I love you more!" To say Curtis is going to be missed is an understatement! He was a great start to my Sunday mornings before church. Curtis, thank you for the joy and laughter you brought to our lives. I will see you soon in Paradise my beloved friend.

“ What a great time Curtis and I shared while working together at VDOT. We would make each other laugh until we would cry or couldnt catch our breath. We would talk about life and share life experiences even after we we moved onto other jobs. What an inspiration he was sharing and living testimony of his love of God. A great friend and such a funny happy person. You are with Christ now and Im sure you will have him laughing just as much as we did. Love you brother.
