“ I just want to say I will miss you my friend. Cindy you made me feel like part of the family and for that I thank you! You were the only person that I ever called mom other than my mother. I won't forget you. I want the family to know how special a person you are to me. You will be in my thoughts and prayers. Lisa and Michelle I know you are sad but I hope you can be happy again in time. Just remember she loved all of you!
