“ Dear Bernice and family, we give our deepest condolences. David was a friend and fellow enthusiast through years in the Ferrari Community. Always a special character to light the judge's room and concourse field if not a close and personal discussion on any given subject, be it Ferraris or the daily life. He will be greatly missed and leaves a void impossible to fill. Our prayers go out to you, your children and their families as well as his Father and wife and close friends for whom he was like family. Bless him and those he leaves behind, may God have him in glory and blessed all that surrounded his time, may all beautiful moments and memories serve to alleviate the weight such early departure carries. the Senior Family, especially Rafael, Mercedes and Enrique.
