“ *D-Man.....that was your call sign when we worked at WSIG back in the 90's. We didn't make much money but we sure had a lot of fun especially on Friday nights when we had the call line and played whatever the listeners wanted. Sometimes Brenda (aka Funny Honey) would come in to help answer the phones and we kept the station alive for hours. I just found out about your passing old buddy....only a year late but just letting you and the family know I miss you.*
