“ Dear Ozlem and family,
My deepest sympathy to you all! I pray that you find comfort in each other and in God's love. No words can say how so very sad I am for you. I pray the memories you have of Derek help sustain you over the many weeks to come. I did not know Derek personally, but I have heard so many wonderful things about him, I believe firmly that he is in the comfort of our Lord's arms. God took his angel home, for what reason we will never know, but we do know you will one day see him again. My prayers and love to you Oz!! You will be in my prayers!! With blessings and prayers for peace. Your friend, Tracy

“ I remember the day you both brought him home from the hospital. Its unbelievable that his life here on earth was cut so short. Just remember God has a bigger plan for all of us and Derek is looking down and watching over all everyone from heaven . I am so saddened and heartbroken for the family. I have no idea your pain but if you hold tight to the memories of the past 20 years it may bring a little comfort in this most difficult time. With lots of love and thoughts. Your old friend
