

## Devon Robert Girouard

April 15, 1994 - July 29, 2024

The staff at Heishman Funeral Home send condolences to the family of Devon Robert Girouard.

Devon Robert Girouard went to be with the Lord on Monday, July 29, 2024, at the tender age of 30, after a fierce and courageous battle with cancer. He was a devout Christian who embraced his faith.

Devon faced his illness with immense bravery and quiet strength; and, through all that he endured, he never complained. His determination and pure will to live went unmatched.

Devon was known for his quick wit, sense of humor, and calm, gentle nature. He found solace at the beach, where the soothing waves brought him peace and tranquility. He enjoyed many activities including running, marksmanship, golfing, and riding dirt bikes.

After graduating from high school and technical school, Devon went on to a successful career as a mechanic at Appalachian Freight Carriers, where his hard work and expertise were well respected. But, above all else, the title that brought him the greatest joy was being “Dada” to his cherished little girl, Blair.

Devon will be loved and missed by his wife, Natalie Girouard & beloved

daughter, Blair Girouard; parents, John & Karen (Carte) Girouard; brothers, Cody (Felicia) & Josh (Kaylan) Girouard; grandparents, Edith Girouard & Robert Carte; in-laws, Jeff & Elena Pence; nieces, Kensy & Grace Girouard; and nephew, Brayden Kampan. His grandparents, Jean Girouard & Margaret Carte, preceded him in death.

Please join us for a Celebration of Life on Saturday, August 10, 2024, @ 2:00 PM at the Woodstock United Methodist Church (156 S Muhlenberg St, Woodstock, VA, 22664), with a reception immediately following.

“*Devon was one of the most genuine, calm, brightest, coolest souls I got to know. A breath of fresh air to be around. He loved his passions, his family and especially that beautiful little girl of his. He left a mark on everyone who got to know him. It was truly an honor. He fought so hard for so long. Knowing his faith in God and where he is now is a relief because we will all be able to see him again. My dearest condolences to his family and everyone hurting. You will be greatly remembered.*
