“ Brenda we just received your Christmas card, December 20, 2024. I suspected that Donnie had passed, but began doing some research and yes he had. I did not know. I cannot remember if someone had notified me. I don't believe they did. I am so sorry. My memories of Donnie was of this cute little kid that came to visit Shanghai, WV with his Dad and Mom. Of course, I did see him a few times that we had reunions. I did not know that he had children and grandchildren. I will try to get in touch with you, Brenda. My prayers are with you and your family, even 21 months later. Max Grove

“ Just found out about Donnies death (exactly a year ago). I grew up with Donnie in the Darkesville neighborhood. We were out and about everyday in the neighborhood and fields...doing all kinds of things we shouldn't have been doing but having good times and great childhoods. We eventually moved away to Philippi WV. Came back and visited several times once shortly after their house had burned and they were living in a trailer on their property during the rebuild. Donnies Dad always kind of scared mebut a good enough guy. Grace was the soul of goodness to us kids. Wonder if Donnie kept the 305 Superhawk his whole life that Aden owned. RIP Donnie

“ *RIP Donnie, from all of us children of Bill and Lorna Catrow. You were one of the first childhood friends in our lives, 65 years ago, and it's another example of our light dimming with the passing of so many. I go by the home in Darkesville often, and say hi to you all each time. To Brenda, Gary, Brad, Sara and grandchildren, our sincere condolences, Bob, Den, Sue, Mary, and Vi (Jerry's wife, he passed in 2019). God bless you all*
