“ JD AND I worked at Leggett in Woodstock with Donna many years ago. She was always a very kind and sweet person. We're very sorry to read about her death. We are praying for her family and friends as they adjust to life in this world without her. May faith in God's promise bring them joy that this is a new beginning for her not an end.

“ We love you and miss you so much mom. The kids have asked about you. Reagan wanted your cheese eggs and luckily I made them correctly. I am so very thankful for the time I did get to spend with you. I don't know what we will do without you but I told Reagan to look for the brightest star in the sky and that that was you looking down on her. We love you so very much mom.

Love always,

Brittany, Travis, Reagan and Lennox
