“ To family of Donna Sager: I was sad to hear of her passing, but I know that all is well. I have written a book, "Charles W. Clinedinst, Mystery of the Son of Man Revealed" and wanted to read to some of the residents at Living Waters Assisted Living. I had only read to her three times, but quickly learned how much she loved the Lord. My love for her quickly grew, as she was so easy to love. She loved to hear the reading and she would thank me and tell me how sweet I was to read to them and I would tell her that she was the sweet one. I greatly miss her.

“ Kenny, Denise and family, and Henrietta and Wayne. We want to convey our sincere sympathy to all of you. Aunt Dee was a wonderful, caring, and sweet person who saw all of the goodness in life and family. I will never forget last October when Elijah sang one of his songs for her. It was a sight to remember. I am sure that the Good Lord has made a place for her and her sweet spirit in his most favored heavenly realm. Love all you folks and hope to see everyone soon.
