“ I love Doris dearly. I think of getting in trouble with the pastor (Charles) when we talked and laughed during Bible Study. I think about the trips we took and the fun we had even when the reason for the trip was a serious matter. I think of stopping by the house for dinner after work and sitting out back in the cool breeze. So many good memories. Looking forward to spending time with my friend again. Prayers of comfort and peace to Charles and family.
