“ Sue and Joe, We are all stunned about the news of Aunt Dorothy's passing. I was able to visit her a few times in New Market and she seemed to know who I was or at least that I was from Caroline's family. She enjoyed most of all on the last visit in August that I had my grandsons with me. Matthew sang to her and she loved that. I can't imagine your grief but I know you are consoled by the outpouring of love from family and friends. You are in my thoughts and prayers today and in the days ahead. Love to all, Lenee
