“*Martha and Jay your mom was quite the person to our family. She has watched our children grow up and spent countless hours with my 92-year-old mother, (Virginia). I will cherish all the memories that we have made like going to the Bergton fair, camping and shopping at the Rio mall in West Virginia.*

She will also be remembered for the delicious donuts that she made each year when we processed our pork.

She was a special lady who loved children and animals. And I'll never forget all the good times we've had.

God has blessed us all just by knowing her.

We will meet again, my friend.

We love you,

Larry and Susie Smallwood & family.

“*I was so very sad to learn about Edna's passing. I got to know her from her hard work at Triplett. She always brought joy to everyone around her. I never visited there without making sure to stop and chat with her as she could brighten anyone's day. She loved her grandsons very much and often talked about their many endeavors. When she got sick, she shared how much her son and daughter in law helped her. She had been in a lot of pain and she is at peace now. I will miss my WORDLE buddy deeply but most importantly, I will miss my friend. My deepest condolences are extended to her family.*

“ I was blessed to get to spend some time with Edna the last couple months. Even though she was dealing with a lot toward the end she was still fun to be around. My goodness how she loved those grandsons! And she couldn't say enough good about Jay and Martha. Rest in peace Edna.
