“ I am so sorry for your loss, Betty was always a sweet and lovely person. I had the pleasure of knowing her and spending time with her when she lived at the Perry House, also when to visit her at the nursery home.

“ Mrs. Crane was like my best friend at the nursing home. Every minty days I would have to ask questions to the resident. One of the question was *Do you ever have thoughts you would be better off dead?* She and I had many talks about that question. But the one time when she gave me that smile and said *“if anyone in this nursing home tells you NO, they are Lying between their teeth “!* She will be missed but she is so happy now . God bless
