“ *To the Miller Family and to my Aunt Emogene When I was very little girl she was my Mother ,my teacher, my friend. My own Mom (Catherine) worked in DC ,while Emmy and I lived with her parents, Walter and Lucy Richman. We slept together and had to snuggle to stay warm,(No heat lol) She dressed and cared for me and even took me to school with her on the bus sometimes! She took me to my first day of school. Always warm and loving. There are no words to thank her enough nor to tell her how much I love her. She is my Angel and will always be there for all of us. I will love you always (Gabby) Beverly XOXOXO*

“ *I have so many wonderful memories of Aunt Emogene throughout the years. From making monkey bread and saving wild baby bunnies when I was little, to her always helping and looking out for my grandmother (Isabel) when I was older. She was always very warm, kind, and loving to me and she will always have a special place in my heart. Rest in Peace Aunt Emogene.*
