“ *My most treasured memories of Aunt Betty were the years we spent in her sewing room creating masterpieces. She taught me to sew & knit. What a crafty lady! She was also a perfectionist, so I ripped out a lot of seams learning. LOL!!! I remember she used to give me a can of her private stash of Dr. Pepper and we'd sew all day on Saturdays when I was a kid. I especially loved her Christmas fudge & I still follow her recipe to this day. I will always treasure our time together. Love, hugs & prayers to her children & grandchildren.*
