“ When my baby sister was born, mom and dad named her perfectly, Felicia Rose Loyd. I will always remember Lisa as a rose - beautiful and delicate.

Everyone she touched will agree she brought a glow into every room she waded into with her heart of gold.

I don't think Lisa knew how many lives she touched. I do know she is with us in spirit and can finally see what she meant to her family and friends.

Her beautiful curls and sparkling eyes will remain with us always. Keep the goodness of her huge heart alive.

Lisa's message to all of us:

- 1. Focus on the Happy Moments and GIVE THANKS for the thime we had with her*
- 2. Know that our delicate Rose is at peace ... she is blowing kisses fro heaven and watching over us*
- 3. We MUST have faith and as a family know God has a plan*
- 4. Trust - believe and share your love for each other and pass it on*
- 5. As my dear cousin, Bobby said so perfectly - stand as a family and hold each other up*
- 6. Live for Lisa AND for GOD because they are here for us.*

*Love from your big sister forever,
Marcie*
