“ *Mary, Patrick, and Wesley, Sorry to hear about Franks passing. He was a great driver, always safety conscious. Mack six speed, IH/ 18 speed, KW (his fave I think) he was a master at all and a Craftsman at spreading a load of stone. More importantly, he was alert and wise to hidden underground pipes, overhead wires and branches, and other hazards to his truck and his truck to others. If he spoke up, I listened to his common sense and experience. He was excellence. Blessings, Bibb Frazier*
