Gabby loved watching hummingbirds and butterflies on the front porch overlooking a beautiful view in Conicville with her family. She enjoyed hunting and fishing; catfishing was her and Nick's favorite activity together. On a rainy day, she loved to get her coloring book out and watch the rain. Most of all Gabby loved spending time with her children and grandchildren. The love she had for them was unquestionable and you could tell how much she loved them. She leaves behind a legacy of kindness, compassion, and a deep love for her family, who will forever cherish her memory.

In lieu of flowers, contributions may be made to Conicville Fire Department.

“ To the family of Gabby,
I was blessed to have the pleasure of having Gabby at ALE. She was such a joy to be around and had such a great sense of humor. I have often thought of her when I think of the great students I had the pleasure to be with. My thoughts and prayers are with her family and friends during this difficult time. May she rest in peace in the arms of our Lord. God Bless

“ Gabrielle & I had lots of shared memories that I will never forget. We lost touch over the last few years but I am forever grateful for the time we had together. She will always be my best friend (my forever friend) and my little sis. Love you Sis. I will always miss you!
